

Remembering Melissa Laser

“Melissa worked tirelessly to protect, improve and preserve the ecosystems and the natural and cultural heritage surrounding Maine’s rivers. Everyone who came into contact with Melissa was affected by the warmth and optimism she brought to her work.”

- Alewife Harvesters of Maine

Helping the Damariscotta Mills Fish Ladder Restoration

“Melissa - Missy to her family - loved visiting the Damariscotta Mills fishway. She would have wanted to help and for us to help the ladder now is a wonderful way to remember her.”

- Her Loving Family
